Remote ITERS-3 and ECERS-3 Certifications

Environment Rating Scale certifications are going to look a little different for the foreseeable future!

Both the virtual ITERS-3 and ECERS-3 certifications are now available and will take place using Google Forms. Plan on setting aside a full day for your certification, as each certification consists of four separate modules to complete, as well as a one-hour consultation with an IRR Team member.

COST: \$180 per certification

**COMING SOON:
