

Evidence /Readiness Guide for Rating Levels 3 – 5 of the Colorado Shines QRIS for **Child Care Centers**

This guide will support programs to prepare for the L3-5 Rating and will guide programs on what documentation is needed to earn points.

***Changes during virtual ratings:** Timelines have been extended from 12 to 24 months and from 3 to 6 months. Indicators normally requiring notes from observations have been modified. Indicator 2.2 now requires submitted photos. Indicators 4.3, 4.4, 5.5, and 5.7a do not require additional submitted evidence.

***Note on virtual events:** Events held virtually or over the phone are acceptable for indicators requiring meetings or events. Please submit evidence of how the event was advertised, communicated, or scheduled (e.g. emails to families, calendar invites, etc.). If a virtual event occurred in the past and no documentation was made at the time, please email the appropriate parties (family members, board members, etc.) requesting confirmation that the specific event occurred, including the date of the event. Submit your original email and their confirmation response as evidence.
